TOP NEWS OF THE MONTH

ELECTION RESULTS

The response from members for the recent election has been officially counted. CPT Stephen Pyper has been selected as the INGOA President, and 2LT Paige Derrick is the Company Grade Officer Representative - Army. Both officers are committed to exercising their duties, growing membership engagement, and advocating for initiatives that support our members throughout their two-year tenure.

Elections are held annually in October. We encourage members to consider running for open positions this year. Available positions include INGOA Secretary and Company Grade Officer Representative - Air. Potential candidates must inform the executive committee by September 15th and may submit a personal statement about their desire to serve. Volunteering for these roles is a fantastic way to contribute to our growing community and shape our organization with fresh perspectives. Make your voice count!
